Important Release:

First, I hope all of our Caston Community had a nice, relaxing holiday season and enjoyed some time with family and friends.

Secondly, we believe all employees are vital to the success of our corporation and we are appreciative of each and every one of our employees. From time to time there is a need for an employee to miss work leaving us short on help. At this time, Caston School Corporation is in need of substitute workers for custodial work, cafeteria work, and bus drivers. Applications are available on the corporation website.

If you are interested in any of these areas please contact the following individuals (574-857-2035):

Mr. Greg Dalton—custodial, Extension 323
Ms. Alysha Kouskousakis—cafeteria, Ext. 327
Mr. Adam Taylor—transportation (bus driver), Ext. 339

Thank you!

Dan
