GET TO KNOW THE FORTY & EIGHT

The Forty & Eight, an honor society of legionnaires created in 1920, draws its origin from World War I. Millions of American soldiers in France were transported to the front in narrow French box-cars, called "Voitures", which would only hold 40 men or 8 horses.

Remembering the close brotherhood of those box-car days, LaSociete des Quarante Hommes et Huit Chevaux (The Society of 40 Men and 8 Horses) was formed and local Voitures began organizing as outstanding Legionnaires were invited into membership. Membership is still by invitation only.

Dedicated to the needs of their fellowman, the Forty & Eight raises funds to support a national nursing scholarship program, various child welfare programs, provides aid to veterans and continues to promote Americanism at both local and national levels.
